## Family Days

This Programs offers families an opportunity to visit the camp and spend time camping in a cooperative community atmosphere.

Just like the camp program for children this program is centered around simple outdoor living. There is no electricity or indoor plumbing. Our showers are solar. Everyone helps with the chores. We provide meals, basic camp activities, equipment and the facilities. Families can bring a tent or just sleep under the stars.

Family members can hike, swim, fish, play and relax in the mountains. Our staff will be leading activities every day, including rock climbing, canoeing, nature walks, lakeside sports, arts and crafts, archery and much more.

### July Family Days July 26 - July 30 5 Days

In response to requests for a family program that is more like the regular session camper experience, we've we added a second Family Days program. This slightly shorter program allows campers of any age to enjoy the camper experience. In this five day program families will live in a tribe site and cook meals in small groups over wood fires with a camp staff member.

### August Family Days Aug 17 - Aug 22 6 Days

Our six day program is very popular. Gourmet camp meals are prepared in the central kitchen by staff and the family members. Everyone eats together in the meadow enjoying the view of Bear Ridge. Staff offers daily activities and nightly campfires.

#### July Family Days Work Crew...

During the July Family Days camp will be undertaking some new maintenance and construction projects. In exchange for 4 hours of work per day during this program, we will reduce your fees. What a deal! Contact the Office for more details.

### Overnight hike option available for both pragrams

If you would like to take an overnight hike with your family we will outfit you with food and backpacking equipment. The family overnight hike is optional. Many alpine lakes are perfect for family day hikes
