

CAMP UNALAYEE ASSOCIATION CAMBERSHIP APPLICATION

To apply for a campership please complete this form and send any supporting documentation. A letter or note from the family or child explaining the situation is helpful to the committee.

One of the founding goals of the Camp Unalayee Association is to provide a unique camping experience for children of all backgrounds. We will do our best to include your child in this program.

The Campership Fund is meant to supplement the amount which families are unable to afford. This Fund is composed of contributions from Association memberships, individuals, businesses, and foundations.

In order to make the funds available to as many children as possible, each family is asked to pay as much as they can reasonably afford.

Applications are reviewed on a 'first come – first served basis.' A Campership Committee reviews all requests. You will be informed about your application as quickly as possible so that you can make your plans for the summer. Campership funds are limited and the demand sometimes exceeds availability. All information will be kept confidential
